

Fiscal Services Division Web Site

Information for the Joint Justice System Appropriations Subcommittee

January 2004

The Fiscal Services Division web site has a new look to integrate it into the General Assembly's web site. The address, however, has not changed (<http://staffweb.legis.state.ia.us/lfb/>). To reach the Fiscal Services home page from the General Assembly web site, click on the link labeled "Fiscal" on the left side of the screen (see below). Here you will find all of the tools and publications associated with Fiscal Services. The site has been designed to provide timely, useful information to legislators, staff and the general public.

Subcommittee Information

The Fiscal Services web site includes links to information on each of the appropriations subcommittees. Click on the link "Appropriations Subcommittees" near the bottom of the Fiscal Services home page.

From the Justice System Appropriations Subcommittee page, you will be able to find the subcommittee's meeting calendar and agendas, minutes, and handouts for each meeting. Other documents of interest may be found under the "Other Documents and Reports" link. The Subcommittee's main page also includes links to staff e-mail and web sites for related departments and agencies.

Standing Judiciary and House Public Safety Committees

Another section of the web site that will be of interest to the Subcommittee is the standing Senate and House Judiciary Committee pages and the standing House Public Safety Committee page.

Fiscal Services Products On-Line

The web site also provides on-line access to most of Fiscal Services' products, including Budget Analysis, Fiscal Notes, Issue Reviews, Fiscal Update, Daily Receipts, the Monthly Revenue Memo, Appropriations Tracking, Fact Book, and the State's salary database.

Your Input is Welcome

As you visit and use our web site, please share your suggestions for how we can improve it to better serve your needs. Jennifer Acton (1-7846) and Beth Lenstra (1-6301) will be maintaining the Justice System Appropriations Subcommittee pages and will welcome your ideas for information and related links you would like to see there.
